From – President's Desk

Dear Recruiters,

I am happy to give vent to my, pious feelings on the occasion of the publication of the placement Brochure. I am privileged to be associated with the prestigious society from last two decades and today as its President. As the trustee, founder member of the management, I recall many fond memories of association with Smt. L.R.T. College of Commerce.

I take it as a divine mission to execute the noble work entrusted to me as the president of the Berar General Educational Society, a Premier Educational Society of vidarbha region, engaged in the dissemination of knowledge since 1964.

As Swami Vivevakand Says: "Education is the manifestation of the perfection already present in Man". I very gratefully acknowledge and appreciate all the sincere efforts put in by my own men and the rich contribution made by the society at large to help me to succeed in my honest mission to take this institution at the peak of excellence. Our educational institutions provide opportunities to the students to exhibit their potential and realize their dreams.

The hopes and aspirations of the stake holders in the society are on the mantle of my shoulders and I hope to earnestly fulfill the Mission and the Noble task entrusted to me.

I am sure that our students will be the perfect human resource for the vertical development of the organizations where they are employed.

The principal of the college, Dr. S. G. Chapke, the Co-ordinator of the Master of Computer and Cyber Commerce, Dr. T.G.Mirge and the teaching staff of the college have shown consistent efforts to sustain the "A" grade awarded by NAAC, Bangalore. Their endeavour is ceaseless and is highly commendable. I extend my best wishes on the occasion of the publication of the placement Brochure.

Dr. R. B Heda
President
The B.G.E Society, Akola.

From – Secretary's Desk

Dear Recruiters,

On the joyous occasion of the publication of the placement brochure of M.C.M., it is my pleasure and pride to present to you the Class of 2015. It has been our privilege to have mentored and guided a group of such enthusiastic, talented and dynamic students and gives me immense pleasure to publish information of our bright students through this Placement Brochure. Over their two year association with us they have been nurtured and groomed to face competitive job market.

At Smt. L.R.T. College of Commerce Dept. of MCM benchmark against the best institutions in terms of learning and imbibing the best amongst our students.

It is a Constant Source of high spirits for me that since the award of "A" grade by NAAC, Bangalore, the teaching staff of my College Department of MCM has strived towards excellence in imparting in depth computer knowledge through our unique teaching pedagogy and state of the art classrooms. This sense of quality consciousness has infused right from top to bottom on the ladder of hierarchy and I feel that my vision has been realized. We strive at attaining highest standards of computer education and maintaining such standards with our highly qualified faculty imbibing the best amongst the students.

It has been our continuous effort to turn our vision of developing a generation of computer professional who possess the intellectual genius, moral consciousness and social responsibility into a reality. We firmly believe that our students are our biggest strength and represent the value of the institution wherever they are placed.

I hope you will have a successful recruitment at our campus and let it be the beginning of mutually rewarding partnership for years to come.

It is my pleasure and honour to invite you to our campus for placement.

From – Principal Desk

Dear Recruiters,

It gives me immense joy and satisfaction to hand over information of our students through this placement broacher with an object to supply qualified manpower in the competitive job market. I am very confident that our students will be very useful in the vertical development of the organization where they are working.

It is a Constant Source of exhilaration for me that since the award of "A" grade by NAAC, Bangalore, the teaching staff of my College is consistently striving to sustain the quality in higher education through various innovative practices and research.

This sense of quality consciousness has permeated right from top to bottom on the ladder of hierarchy and I feel that my vision has been realised. The college came into existence in 1964 with B. Com. Course. Now courses like M.Com., M.C.M., M.H.R.D., M.Phil, D.B.M., D.M.M., D.F.M., C.lib etc are being run by the college. The quality of education imparted by this institution can be judged from the long list of merit holders in the university from our college every year since the inception of the college, our prestigious Alumni and 'A' Grade awarded by NAAC Bangalore. It is my pleasure and honour to invite you to our campus for placement

Dr. S.G. Chapke
 Principal & Director

From – Co-ordinator's Desk

On the joyous occasion of the publication of the placement brochure of M.C.M., I express my deep gratitude to the management, Principal Dr. S. G. Chapke, my colleagues and students who are a constant source of motivation for me in disseminating IT education through the department of Computer Management & Cyber Commerce.

The intake capacity of our department is 40 students, this year we have enrolled 44 students. This shows that our department is a most popular MCM department and student-centered department in Akola.

The MCM department has maintained its glorious history of churning out meritorious students in the university every academic year. As the co-ordinator of this prestigious department, I hope to fulfill the aspirations of the Students and the stake-holders of the society who have reposed implicit faith in me. Information Technology is the Elixir of modern times and it is indispensable in the present scenario of Globalization Privatization & Liberalisation. Information Technology is the window to the world which is shrinking day by day due to technological knowledge. As the co-ordinator of this prestigious department, it is my vision that the students of the department procure coveted jobs in reputed companies. The day every student of rural area gets access to Information Technology, my mission will be fulfilled and the dream of Dr. Abdul Kalam, ex-president of India will be realised and India will definitely become a super power in 2020.

Placement unit assumes vital significance in any institution where students get an opportunity to interact with the MNC's and the companies can hone the best talent available in the area. The placement broacher is an honest attempt to bring before the sight of MNC's that talented students are available in this institution.

As a humble soldier, I hope to contribute in my own way to face the stiff competition posed due to the advent of foreign Universities in the educational sector. Providing high quality education in Information Technology and equipping the students with the latest knowledge of information technology sector is my divine mission and I hope to accomplish this mission with the active support and co-operation of our honorable Principal Dr. S. G. Chapke & the benevolent Management of the Bear General Education Society.
