Report on Student Feedback (2015-16)

During academic session 2015-16, the feedback committee of college has collected students feedback on their campus experience. Feedback from students of Commerce was collected by random sampling. This process enables us to gain an insight of the student's view regarding teaching, learning, other activities and difficulties they face during their learning experience at college campus. Their feedback provides us an opportunity to evolve conducive atmosphere for teaching and learning at college campus. We were also able to get an insight into our pros and cons due to the feedback.

Feedback was taken on the following components.

- 1) Students feedback on teachers
- 2) Students feedback on curriculum
- 3) Course and teaching evaluation
- 4) Sports, Library and infrastructure facility

It is learnt from the feedback that the students are satisfied with the staff and campus. They put forward some requirements in infrastructural facilities and accordingly these facilities were provided to students. Some new skill based. Courses were incorporated by the college according to the suggestion of the students.

Report on parent's association feedback (2019-20)

During the academic session 2019-20, the committee has collected parent's feedback on their experience and interaction with existing faculty. The feedback was collected from parents who were present in the meeting. This process enables us to gain insight of parent view regarding relation between teachers and student, facilities available in the campus and providing facility to the students.

Feedback was taken on the following components.

- Satisfaction level of the semester pattern system.
- Facilities available in the college campus.
- Sports facilities
- Library facilities
- Performance of faculty

Parent's association meetings were held on 14th August, 2019. In these meeting feedback was taken from parents. The following points are noted from feedback forms.

- 1) Parents seem to be satisfied with the facility available in the college campus.
- 2) The relation between students and faculty is excellent.
- 3) Library facility is good.

Suggestion: Following suggestions are given by parents.

- 1) RTO camp on traffic awareness should be taken.
- 2) Yoga and meditation centre to be introduced in the institution.
- 3) Training camp on sports to be organized for Degree College.
- 4) Blood group testing camp should be organized specially for girls.
- 5) A camp on causes of Iron deficiency among girl students should be taken.
