**Subject: Circular of Inter-Collegiate Students Research Convention "AVISHKAR- 2019".**

Dear Sir/Madam,

Academics in the 21<sup>st</sup> Century is at a crossroads of knowledge and research. There is a tremendous desire to unveil the unknown and unexplored areas of knowledge in all fields of academic enquiry. Due to the tremendous interdisciplinary approach no discipline goes untouched from the research activity. The genesis of 'Avishkar- A State level Students Research Convention " lies in the success of Sports meet "Ashwamedh" and Inter-University Cultural Festival "Indradhanushya" which provide opportunity for all round development of personality of students. His Excellency, Dr. S. M. Krishna, the then Chancellor mooted the concept of providing a platform/opportunity for expression of research talent among the students. It is for inculcating research culture, to encourage original thinking among students and provide an opportunity for expression of academic talent. This will also help to promote interaction among academia, R&D Institutes and Industries. Such type of activity is essential in the era of intellectual property rights with the implementation of WTO-GATS and patenting of research. To make the country competent and competitive, promoting research activities at the right age is the only solution.

This activity, unique in its nature will help to develop skill to review new dimensions of explored areas of knowledge as well as the unexplored areas of enquiry. Sant Gadge Baba Amravati University has established the Avishkar Cell to promote research and innovation amongst students and teachers, to reach to the objectives set by AVISHKAR. The Avishkar cell has taken special efforts to increase the participation of the desirous and deserving students from rural and urban areas. The cell also put in strength efforts to organize regional competitions and to provide special training to these students towards guiding them to enhance their abilities to showcase their research model work in an effective manner. This activity has generated a lot of scientific temperament in research and innovation amongst students and the participation is ever increasing.

It is our pleasure to share with you that Sant Gadge Baba Amravati University contingent of 35 students at the UG, PG, Post PG (PPG) and Teachers pursuing M.Phil, Ph.D had participated at 13<sup>th</sup> Maharashtra State Inter-University Research convention - Avishkar hosted by Gondwana University during January 15-18, 2019, wherein our University secured the first prize in the category Medicine and Pharmacy (PPG) while at National level student research convention **ANVESHAN-18** under the aegis of AIU, New Delhi hosted by Ganpat University, Mehsana (Gujarat) own second and third prize respectively during the Academic year 2018-19.

Sant Gadge Baba Amravati University has a long tradition of 36 years with almost 382 affiliated Colleges and over 5 lakh students studying in the various departments, institutions and affiliated colleges. It is the collective responsibility of all of us to sensitize the students and build confidence among them to venture into research and imbibe in them, the spirit of healthy competition. The event Avishkar will certainly fulfil the challenges of developing research attitude in the youth and teachers, thus will prove the theme of Avishkar - **Create, Sustain and Prosper.**
