**National Level Conference on**

**“New Methodology of NAAC Assessment to Nurture Quality Enhancement in  
Higher Educational Institutions”**

**Dt:- 29<sup>th</sup> September, 2018**

Smt. L.R.T. College of Commerce, Akola organized A One day National Level Conference on “New Methodology of NAAC Assessment to Nurture Quality Enhancement in Higher Educational Institutions” in Collaboration with IQAC Cluster Maharashtra. The conference was focused on the periodical changes taken place in process of accreditation by NAAC committee. The main focus of the accreditation procedure of the NAAC is to promote qualitative education. This conference specifically stressed on the role of teachers in teaching students how to think and apply knowledge in real life.

The organization of this conference is a necessity because for an institution accreditation is a necessity as well as a status in an academic spectrum. Dr. Pingle, the Resource person called the teacher as the “Life Creator”. He emphasized on raising the benchmarks by the teaching professionals. The other issue discussed prominently was the “Benchmarking” i.e. to set standards on the basis of introspection for continuous improvement of Quality in education sector. The essentials of successful accreditation. viz., Harmonious Relation with College Management, Setting Benchmark for Quality, Emphasizing PDCA approach, study of NAAC manual and Setting target for better score were discussed positively. In this National Conference 73 research papers on the 4 subthemes were contributed by the delegates from all over India.

A Report on One Day National Level Conference on  
**Impact of Demonetization and GST on Various Sectors of Indian  
Economy**

**Saturday, 12<sup>th</sup> January 2019**

Smt. L.R.T. College of Commerce, Akola organized one day National Level Conference on Impact of Demonetization and GST on Saturday 12<sup>th</sup> January 2019. The GoI announced the demonetisation on 8<sup>th</sup> November, 2016. The announcement of demonetization was followed by prolonged cash shortages which created significant disruption throughout the economy . Demonetization left long lasting impact on every Indian whether it is a politician, or businessman or bureaucrat or laborer or housewife etc. However, demonetization was done with a very good intention to control corruption and black money from the economy and bring transparency and greater formalization in economy. This decision come up with a debate on its impact on Indian economy, business, agriculture and different sectors of the economy.

Similarly The GST Act came into effect on 1<sup>st</sup> July 2017 and it has replaced multiple indirect taxes, which were existing under the previous tax regime. It has an advantage of having one single tax means every state follows the same rate for a particular product or service. Thus this unified system possess the easy tax administration with the Central Government deciding the rates and policies. On the other hand . It has greatly reduced the compliance burden on taxpayers. Hence on this backdrop it is imperative to identify the other issues on this crucial subject. Hence, it is worth to study effects of both; demonetization and GST on our economy. So the college organized the conference on these themes to procure and provide larger insights on these important themes. In this National Conference 68 research papers were contributed by the delegates from all over India.

#### About the Conference

The conference comprises two major themes viz, impact of Demonetization and impact of GST.

#### Impact of Demonetization:

On November 8, 2016, the Indian government declared that the 500 and 1000 rupee notes will be stripped of their status as legal tender effective from midnight. These notes accounted for 86 percent of the country's cash supply by value. Citizens were given time till December 31, 2016 to deposit their old currency notes and exchange them for the new currency notes of rupees 500 and 2000. The government's aim was to root out counterfeit currency, fight tax evasion, curb inflation, eliminate black money and terror-funding, and to promote a cashless economy.

When a currency note of a particular denomination ceases to be a legal tender, it is termed as demonetization. Legal tender refers to money which can be legally used to make payments of debts or other obligations. A creditor is obliged by law to receive such money in payment of due debt to him.

#### Aims/Objectives:

The main aim is to study the impact of demonetization on the following sectors:

- Agriculture Sector
- Small Scale and Cottage Industries.
- Real Estate
- Banking Sector
- Overall Society

#### Impact of GST

GST the biggest tax reform in India founded on the notion of 'one nation, one market, one tax' is finally here. The moment that the Indian government was waiting for a decade has finally arrived. The single biggest indirect tax regime has kicked into force, dismantling all the interstate barriers with respect to trade. The GST rollout, with a single stroke, has converted India into a unified market of 1.3 billion citizens. Fundamentally, the \$2.4-trillion economy is attempting to transform itself by doing away with the internal tariff barriers and subsuming central, state and local taxes into a unified GST.

Hence it has become a need of the day to study the impact of Goods and Service Tax on economy at various level.

#### Aims/Objectives:

The main aim is to study the impact of Goods and Service Tax on the following sectors:

- Real Estate
- Manufacturing and Trading Activities
- Overall Society

#### Expected outcome:

- 1) Research papers submitted by delegates will be documented in UGC Listed Journal.
- 2) Conference will create awareness about Impact of Demonetization and GST On Various Sectors of Indian Economy

#### Participants (nature/categories):

- 1) Principals of Colleges.
- 2) Professors, Associate Professors and Assistant Professors
- 3) Businessmen
- 4) Industrialists
- 5) Research Scholars
- 6) Students of UG and PG
- 7) Management & Stakeholders

Research papers are invited on the themes mentioned below. Research paper will be published in UGC listed research journal 'Scholars Impact'

Publisher	Deshmukh Publication Pvt. Limited.
E-ISSN	2394 -7640
Print ISSN	2394 -7632
Journal No	41129
Impact Factor	0.91

#### Discussion Themes:

- 1) Impact of demonetization on:
  - Agriculture Sector
  - Small Scale and Cottage Industries.
  - Real Estate
  - Banking Sector
  - Overall Society
- 2) Impact of Goods and Service :
  - Real Estate
  - Manufacturing and Trading Activities
  - Overall Society

# **A One Day National Level Conference on “Impact of Recent Indian Agricultural Policy on Agricultural Sector and Other Allied Sectors**

Tuesday, 02<sup>nd</sup> March 2021

Under the auspices of the ‘The Berar General Education Society Akola’, Smt. L.R.T. College of Commerce, Akola has organized a one day National Level Conference on “**Impact of Recent Indian Agricultural Policy on Agricultural Sector and Other Allied Sectors**” on Tuesday, 02<sup>nd</sup> March 2021 in virtual mode.

Agricultural sector is a primary sector and one of the most important sector of Indian economy, as it provides employment to 60 % Indian population approximately and contributes 18% of GDP. The development of Agriculture sector in turn develops allied sectors too. That means If this sector is developed then other allied sector dependent on it will also flourish. Doubling’ real income of farmers till 2022-23 over the base year of 2015-16, requires annual growth of 10.41% in farmers income. This implies that there is a need to accelerate sharply the previously achieved rate of growth in farm income. Keeping this goal in focus, GoI, in September 2020, introduced three agricultural reform bills viz., :1)The Farmers Produce Trade and Commerce (Promotion and Facilitation), Bill 2020, 2) The Farmers' (Empowerment and Protection) Price Assurance and Farm Services Agreement and , 3)The Essential Commodities (Amendment) Act. Suddenly, the huge protest against these Acts from farmers organizations and Supreme Court issued stay order.

So to discuss the pros and cons of the three agricultural bills, this institution organised the national level conference during covid pandemic in online mode. The researchers presented research papers covering various issues . The institution received 34 research papers for publication from academicians, delegates and research scholars.

**A One Day National Level Conference on “Impact of Post Covid Central Government Packages on Various Sectors of Indian Economy”**

Wednesday, 03<sup>rd</sup> March 2021

Under the auspices of the ‘The Berar General Education Society Akola’, Smt. L.R.T. College of Commerce, Akola has organized a one day National Level Conference on “Impact of Post Covid Central Government Packages on Various Sectors of Indian Economy” on Wednesday, 03<sup>rd</sup> March 2021 in virtual mode.

The COVID-19 pandemic has affected economies across the globe vis-a-vis the Indian economy to a large extent. The impact of Corona pandemic on India has been largely disruptive in terms of economic activity as well as a loss of human lives. Almost each sector got adversely affected as domestic and Global demand sharply plummeted. On this background the Government of India instituted stimulus packages for revival from economic distress. Therefore the said conference, focused to assess the Impact of Post Covid Central Government Packages on Various Sectors in India. The importance and utility of Rs 20 lakh crore mega stimulus package announced by GoI to save the lockdown-battered economy was discussed thoroughly. This Post Covid Central Government Packages also focuses on tax breaks for small businesses as well as incentives for domestic manufacturing, The awareness of these packages among the prospective beneficiaries is of utmost importance, hence this institution decided to organize this online one day national level conference. The conference which is organized during pandemic received 34 research papers from various academicians, delegates and research scholars.
