Report on Student Feedback (2022-23)

During academic session 2022-23, the feedback committee of college has collected student's feedback on their campus experience. Feedback from students of Commerce was collected by random sampling. This process enables us to gain an insight of the student's view regarding teaching, learning, other activities and difficulties they face during their learning experience at college campus. Their feedback provides us an opportunity to evolve conducive atmosphere for teaching and learning at college campus. We were also able to get an insight into our pros and cons due to the feedback.

Feedback was taken on the following components.

- 1) Students feedback on teachers
- 2) Students feedback on curriculum
- 3) Course and teaching evaluation
- 4) Sports, Library and infrastructure facility

It is learnt from the feedback that the students are satisfied with the staff and campus. They put forward some requirements in infrastructural facilities and accordingly these facilities were provided to students. Some new skill based. Courses were incorporated by the college according to the suggestion of the students.
