Cyber Commerce

PROSPECTUS

Master of Commerce (Computer Management)

Formerly Known As Master of Computer Management (M.C.M)

Dr. N. N. Chotiya

Co-ordinator

Dr. R. D. Sikchi

Principal & Director

Introduction :

The Berar General Education Society started Berar Arts College in the year 1937. In 1938, it was renamed as Sitabai Arts College after its donor the Late Smt. Sitabai Jain. In the year 1958, commerce faculty was added to the college. Looking at the rapid growth of the commerce faculty, it was felt necessary to make it a separate independent unit.

Seth Shri. Radhakisan Toshniwal a great philanthropist of Akola donated a sum of Rs.25000 and a piece of Land measuring about 3 acres in the heart of the city in the fond memory of his wife Smt. Laxmibai for starting a separate commerce college. Thus Smt. Laxmibai Radhakisan Toshniwal College of Commerce came into being as a separate unit in the year 1964. Since then it has been working as a premier institution of commerce education in the western part of Vidarbha. The college initially imparted instructions up to undergraduate courses only. To cater to the needs of the student community, Post Graduate courses in commerce were added from the year 1972.

To encourage research in the field of commerce. M.Phil. course was introduced in the year 1983. In the same year, to train students in the field of business management, marketing and industrial relations, five more post graduate courses were added to the repertoire of the college viz. Diploma in Business Management, Diploma in Marketing Management, Diploma in Financial Management, Diploma in Taxation and Master of Industrial Relations & Personnel Management.

The Department of Computer Management and Cyber Commerce started in the year 2000, which conducts the Post Graduate course and Certificate Courses in Computer Management. With the opening of M.C.M. course, a big Lacuna in the field of Computer in the western part of the Vidarbha has been removed.

Prof. S. N. Agrawal was the first Coordinator of this course. After that Dr. T. G. Mirge was took the charge in 2007-08 and Dr. Nilesh N. Chotiya is the Coordinator since 2024 of this course.

The Department of Computer Management and Cyber Commerce is manned by qualified and experienced staff. Apart from teaching by regular staff, eminent guest lecturers are also invited from different fields to address the students. Field Visits are also arranged every year to give practical training and exposure to students. The college campus is buzzing with academic activities all-round the year.

About Master of Commerce (Computer Management) Course :

This Course is conducted under the aegis of the Department of Computer Management & Cyber Commerce. This is a two-year, Semester Pattern Post Graduate Course leading to the degree of Master of Commerce (Computer Management) of S.G.B. Amravati University, Amravati.

In the 21st Century, much emphasis is laid on Communication and Information Technology. The wonderful invention of computer and its growing popularity has revolutionized the communication world. In the computer software field, Indian computer personnel have won world-wide recognition and they are acclaimed as the best. This Course offers excellent opportunities to the youth in as much as it is a fine blend of computer as well as management education. Commerce graduates with Computer Management education are better placed than others and have an edge in the employment market. At present, the industry is facing a shortage of well-trained computer personnel. This course is designed to fulfil demand of the industry.

The applicant shall be admitted to the next Semester as per following eligibility.

Sr. No.	Name of Exam	The student should have completed the term satisfactorily	The student should have Passed in all the subjects of the examination of
1	M. COM. (COMPUTER MANAGEMENT) Part- I Sem. - I	M. COM. (COMPUTER MANAGEMENT) Part- I Sem. - I	------
2	M. COM. (COMPUTER MANAGEMENT) Part- I Sem. - II	M. COM. (COMPUTER MANAGEMENT) Part- I Sem. - II	------
3	M. COM. (COMPUTER MANAGEMENT) Part- II Sem. - III	M. COM. (COMPUTER MANAGEMENT) Part- II Sem. - III	M. COM. (COMPUTER MANAGEMENT) Part- I Semester- I
4	M. COM. (COMPUTER MANAGEMENT) Part- II Sem. - VI	M. COM. (COMPUTER MANAGEMENT) Part- II Sem. - IVs	M. COM. (COMPUTER MANAGEMENT) Part- I Semester- II

M. COM. (COMPUTER MANAGEMENT)
Subjects to be offered

Part- I Semester- I

Sr. No.	Subject Code	Subjects
1	1111	Computer Fundamentals and Operating System
2	1112	Programming Methodology
3	1113	Object Oriented Programming
4	1114	Business Data Communication I
5	1115	System Analysis & Design
6	1116	Computer Laboratory I

Part- I Semester- II

Sr. No.	Subject Code	Subjects
1	1121	Principles of Management
2	1122	Advance Database Management System
3	1123	Java Programming
4	1124	Software Engineering I
5	1125	Operation Research Techniques
6	1126	Computer Laboratory II

Part- II Semester- III

Sr. No.	Subject Code	Subjects
1	1131	Management Information System
2	1132	Advance Java Programming
3	1133	Visual Computing
4	1134	Business Data Communication II
5	1135	Software Engineering II
6	1136	Computer Laboratory III

Part- II Semester- IV

Sr. No.	Subject Code	Subjects
1	1141	Internet Technology
2	1142	E-Commerce
3	1143	Elective (Data Ware Housing & Mining ERP)
4	1144	Computer Laboratory IV
5	1145	Project / Seminar:

Project / Seminar:

Project :

Each candidate shall carry out a group project related to software /hardware development. The maximum size of the project batch shall be three candidates and minimum individual candidate.

The major objective of the project is to expose the student to teamwork, system analysis and design in practice. The project shall be based on current technological trend and it should not be a mere academic formality.

Each candidate shall prepare a project report containing the following details:

1) Introduction   2) System Analysis

3) System Design   4) System Implementation and Testing

5) Conclusion
